

## Accoras Psychosocial Outreach Program (APOP) Referral and Screening Form

This service is a free mental health support service providing practical, solution-focused mental health support to children, young people and their families. Eligible participants are children and young people aged 0-12 years who have, or are at risk of, severe mental illness but who are not more appropriately supported through the NDIS.

To be eligible for our program the client must:

- Have (or be at risk of) severe mental illness that has resulted in reduced psychosocial functional capacity (e.g. significant impacts on their family and peer relationships, in their education/employment, in their ability to undertake self-care, etc);
- Have a parent or significant adult who can be proactive, and work with their child/young person within the program for optimum long-term outcomes; and
- Live within the Darling Downs and West Moreton Region.
